National Mathematics Day - 22nd December, 2022

"An equation means nothing to me unless it expresses a thought of God" - Srinivasa Ramanujam

Ever imagined a world without numbers and digits? Though it might sound exciting for many but frankly speaking, life would have been pointless and impractical to live with. Mathematics is the core of our lives and the reason behind our living. On National Mathematics Day, the legendary Indian mathematician Srinivasa Ramanujan was honored by our students as they participated in different activities involving logical and critical thinking, reasoning and analytical skills and solved puzzles. Let us delve deeper into the realms of infinite possibilities and garner a liking for this royal subject.

"It was time to hark and
"hear the angles sing"

"Learning is an active
process. We learn by do-
ing. Only knowledge that
is used sticks in your
mind."

-Dale Carnegie

Christmas Celebration 23rd December, 2022

Christmas was celebrated with great spirits, the thrill of the Christmas bells started ringing in every heart with the chimes of Christmas carols. The students dressed up as Santa Claus and Angels

visited all the classrooms and exchanged Christmas greetings and sang the Christmas carols.

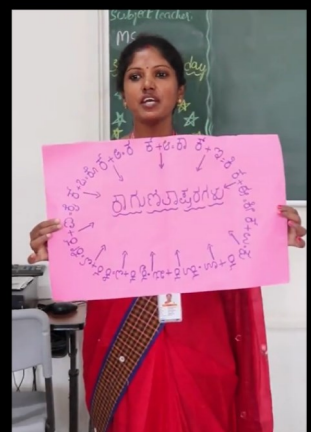

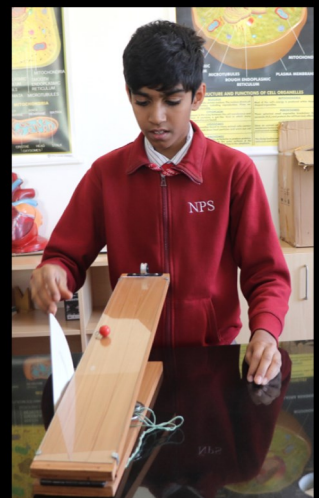

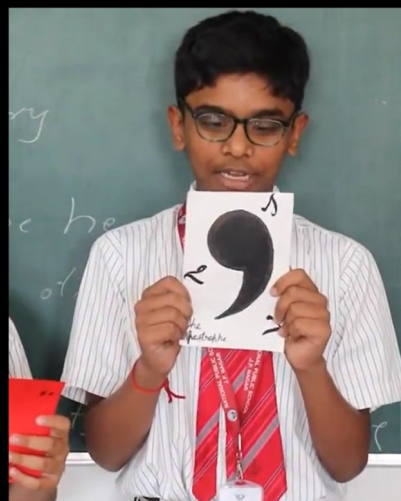

Classroom Activities

Research shows that when students engage with each other in learning tasks, they remember material better and they figure out how to apply and extend their new knowledge more effectively. In addition, this approach promotes learning among students from diverse backgrounds and who have diverse learning styles. Active learning strategies are also simply more interesting, both for the instructor and for the students. Various sub-

ject wise activities were planned for the students like – Importance of First Aid 'Prathama Chikitse' in Kannada, Fun with Punctuation in English and Hindi and many more to keep the students engaged and involved.

Classroom Activities

Felicitation Ceremony - 5th December, 2022

"The soil of appreciation is where the roots of all kindness grow."

On December 5, 2022, NPS, JP Nagar held a Felicitation Ceremony for the month of November to congratulate and recognize the students who achieved extraordinary success in a wide variety of contests, co-curricular activities, and sporting events.

Germination - 6th December, 2022

"He who plants a tree, plants a hope" – Lucy Larcom.

"Stay Green, Stay Positive". Early childhood educators place a strong emphasis on teaching pupils how to be responsible citizens in addition to helping them grow academically. The Germination of Seeds exercise was carried out as a part of experiential learning with the intention of showing young children how plants grow from seeds. The teachers gave instructions on how

to plant seeds, hydrate them, and maintain them in a location where they will receive enough sunlight. Every day, the kids were to check on the pot and report back to the teacher on the plant's development. The kids eagerly anticipated the appearance of the plant's shoot. Successful seed germination and an understanding of the value of environmental preservation were demonstrated by the kids. They were able to observe up close how a seed develops and what was going on underground. When they noticed a little plant poking through, their joy reached a new high. The kids adored checking on the development every day as the

Role Model Day - 12th December, 2022

"Be a leader, not a follower".

Show the kids what to do instead of telling them. On December 12, 2022, NPS JP Nagar commemorated 'Role Model Day'. Our little ones were encouraged to speak a few words about their role models while dressing as their own heroes. Being able to observe preschoolers dressed as their teachers, parents, caretakers, astronauts, athletes and etc., they beautifully expressed about their Role Models, why they like them so much. Their

execution and enactment were so much fun to watch. It was indeed a beautiful and proud day as many students enacted as their teacher's.

Winter Season - 16th December, 2022

"Winter is not a season; it is a celebration."

On December 16, 2022, at NPS, JP Nagar, the students of UKG C presented the school assembly on "Winter season," one of India's most significant seasons. The little kids began the event with a morning prayer to bring calmness and peace to our mind and soul for the wonderful day. They then displayed mittens and mufflers in the assembly, and spoke about the winter season, its duration, climate, food, snow, and the use of sweaters, mufflers, gumboots, and jackets. The children's curiosity was aroused, their enjoyment and knowledge increased via music, a charming foot-tapping dance, and an engrossing poetry about the season. Our kids were exposed to learning by doing owing to a great creative project, where they made Santa Claus out of cotton balls and later used for adornment. They developed a broader perspective and improved hand-eye coordination.

Christmas - 22nd December, 2022

"Christmas is not a certain day or season, but rather a way of thinking. The true spirit of Christmas is to treasure harmony and kindness while being generous with mercy. On **December 22, 2022**, keeping this in mind, the NPS JP Nagar students, faculty, and staff enthusiastically celebrated Christmas.

Every year, a noteworthy occasion is the special Assembly for Christmas. The toddlers were all decked up in red and white with Santa hats and antlers, evoking the holiday mood where they went. It's "the season to be jolly," and the nursery dancing daffodils joyfully performed on lovely carol "We wish you a Merry Christmas," the entire pre-primary section, along with the teachers, subsequently joined to sing and dance. Crafting snowmen, decorating a Christmas tree, and making wreaths for Christmas Day were among the joyful activities that students were spotted engaging in. The celebration came to an end when Santa Claus unexpectedly appeared with carolers. The smiles of all the youngsters showed tremendous excitement.

CBSE AFFILIATION NUMBER - 831262

WE ARE ELATED TO ANNOUNCE THAT WE ARE NOW A CBSE AFFILIATED SCHOOL. IT'S THE HARD WORK AND SUPPORT OF ALL THE STAFF AND THE PARENTS THAT PAID OFF. WE THANK YOU FOR YOUR SUPPORT AND CO-OPERATION.
