READY, SET, LEARN: WELCOMING THE NEW ACADEMIC SESSION

There's a certain magic in the air when a new academic session begins. The quiet classrooms that once echoed with silence are soon filled with laughter, questions, and the lively hum of eager minds returning after a refreshing summer break.

But children don't just come back rested—they come back changed. Summer holidays, in their own gentle way, are powerful teachers. From small discoveries at home to big adventures outside, every experience adds a new layer to a child's understanding of the world. They return with stories to share, ideas to express, and most importantly, a spark of curiosity that's impossible to ignore. And that curiosity? It's where real learning begins.

The first few days of school often bring a flood of questions—sometimes simple, sometimes surprising, but always meaningful. Children wonder,

“

The doors are open. The minds are ready. Let the learning unfold.

explore, and try to connect what they've seen during their holidays with what they learn in class. This natural urge to question is not something to be managed—it's something to be celebrated.

As we step into this new academic year, it's the perfect time to channel that energy into something purposeful. Classrooms should become spaces where curiosity feels welcome, where doubts are not dismissed but discussed, and where learning goes beyond memorizing to truly understanding.

For educators, it's a chance to inspire. For students, it's a chance to explore. And for everyone involved, it's a fresh opportunity to grow together. So, here's to new beginnings—to fresh notebooks, new ideas, and countless “aha!” moments waiting to happen. Let's embrace the excitement, nurture the questions, and make this academic session a journey filled with discovery, confidence, and joy.

WORLD ENVIRONMENT DAY

“

A greener world is not built by grand promises but by countless small choices made every single day.

”

World Environment Day was celebrated with great enthusiasm, transforming our classrooms into vibrant spaces of creativity, awareness, and action. Students captivated the audience with thought-provoking skits that highlighted the importance of protecting our planet, while interactive activities encouraged everyone to reflect on simple ways to care for the environment. Meaningful classroom discussions inspired young minds to think critically about sustainability, and creative artwork beautifully expressed their love for nature. The celebration culminated in a seed-sowing activity, where each student planted seeds in pots—a symbolic yet powerful reminder that every small act of care can blossom into a greener future. Through these engaging experiences, our students learned that protecting the Earth begins not with grand gestures, but with mindful actions taken every day.

FATHER'S DAY

"A father doesn't just teach us how to walk through life—he walks beside us until we're strong enough to find our own path."

Laughter echoed across the campus as fathers stepped out of their daily routines and into a world of fun, teamwork, and unforgettable moments with their children. Father's Day was celebrated as a joyful tribute to the everyday heroes who lead with love, patience, and quiet strength. From the thrill of tug of war and arm wrestling to the excitement of table tennis, blindfold challenges, and the creativity of

a fireless cooking activity, every event reflected the spirit of togetherness and healthy competition. More than winning games, the celebration was about creating memories, strengthening bonds, and reminding every child that the greatest victories in life are shared with those who stand beside us through every step.

INTERNATIONAL YOGA DAY

"Yoga is the journey that begins within, where every breath nurtures strength, every posture builds resilience, and every moment of mindfulness leads to a healthier, happier life."

International Yoga Day was observed with serenity and enthusiasm, encouraging students to embrace the harmony of mind, body, and soul. The morning began with guided yoga sessions where students practised various asanas, breathing exercises, and meditation techniques that promoted focus, flexibility, and inner peace. The celebration highlighted that yoga is not merely a form of exercise but a way of cultivating discipline, balance, and mindfulness in everyday life. As students moved in unison, they experienced the power of stillness, self-awareness, and well-being, reaffirming the timeless wisdom that a healthy mind flourishes in a healthy body.

INVESTITURE CEREMONY

“
*"A leader is not remembered
for the position they held,
but for the paths they created
for others to follow."*
”

The Investiture Ceremony was more than the presentation of badges—it was the passing of trust from one generation of students to the next. As the newly elected Student Council took their oath, they embraced a role that calls for courage in decision-making, humility in service, and integrity in every action. Standing before their peers, they accepted the privilege of becoming the voice that listens, the hands that serve, and the hearts that unite the school community. Each badge symbolized not power, but purpose; not recognition, but responsibility. With fresh ideas, unwavering commitment, and the confidence to lead by example, these young leaders are set to shape a school culture where every student feels heard, valued, and inspired.

EXCELLENCE IN YOGASANA

Our students showcased exceptional grace, discipline, and determination at the Inter-School Yogasana Competition, hosted by the School of India, Bannerghatta, on 24 June 2026. Their remarkable performances earned an impressive collection of First, Second, and Third Place finishes, along with an Individual Gold Medal, reflecting their dedication, focus, and commitment to excellence. Our achievers:

Artistic Yogasana (Group) – First Place

Traditional Yogasana Group (Boys) – First Place

Traditional Yogasana Individual (Boys) – Gold Medal

Artistic Yogasana (Pair) – Second Place

Traditional Yogasana Group (Girls) – Third Place

Traditional Yogasana Group (Girls) – Third Place

This outstanding accomplishment is a testament to the students' perseverance, resilience, and unwavering spirit. We extend our heartfelt congratulations to all the participants, their dedicated coaches, and supportive parents for this proud milestone. May they continue to inspire us with many more achievements in the years to come.

WORDS THAT WON!

We are delighted to celebrate the outstanding achievement of Vaishavi Patel, who secured First Place in the English Paper Presentation Competition held at AECS Magnolia Maaruti School. Demonstrating exceptional communication skills, confidence, and depth of knowledge, Vaishavi impressed the judges with her articulate presentation and engaging delivery. This remarkable accomplishment reflects her dedication, hard work, and passion for excellence. Heartiest congratulations to Vaishavi on this well-deserved success, and we wish her many more achievements in the future!

PROMOTING ENVIRONMENTAL SUSTAINABILITY

As part of the CBSE Initiative on Promoting Environmental Sustainability (18–22 June 2026), our school actively participated in an E-Waste Collection Drive to foster environmental responsibility and sustainable practices. The initiative encouraged students, parents, and staff to responsibly dispose of unused and obsolete electronic devices, creating awareness about the importance of proper e-waste management. Through this collective effort, our school proudly supported the CBSE's vision of building environmentally conscious communities while inspiring young minds to become responsible stewards of the planet.
