DOCTOR'S DAY SPECIAL ASSEMBLY

On the occasion of Doctors' Day, our Pre-Primary students enthusiastically celebrated and learned about the invaluable role of doctors in our lives. Through engaging activities and role-play, the children gained an understanding of the importance of medical professionals, became familiar with the hospital

environment, and learned how doctors care for and treat patients with kindness and dedication. The celebration helped instill respect, gratitude, and awareness about the healthcare profession in our young learners.

ENGLISH SPEAKING SKILLS

An English-Speaking Skills Competition was conducted across all grades to encourage students to enhance their communication, confidence, and public speaking abilities. Students participated enthusiastically, showcasing their fluency, creativity, and stage presence. The winners were felicitated in recognition of their outstanding performances and were applauded for their excellence. Congratulations to all the participants and winners for making the event a great success!

EDUCATIONAL EXCURSION - SRI KRISHNA GAUSHALA

Students of Grades 5 to 8 visited Sri Krishna Gaushala, Begur, on an educational field trip. They explored various breeds of cows, learned about their care, importance, and contribution to agriculture and the environment. The students thoroughly enjoyed the interactive experience, making the visit both informative and memorable.

EDUCATIONAL EXCURSION - ST. JOHNS MEDICAL COLLEGE HOSPITAL

Students of Grades 9 to 12 visited St. John's Medical College Hospital, Bengaluru, as part of an educational field trip. During the visit, they gained valuable insights into the healthcare sector, explored various hospital departments, and learned about medical facilities, patient care, and career opportunities in the field of medicine. The visit was both informative and inspiring, providing students with a meaningful learning experience.

MONSOON TALES SPECIAL ASSEMBLY

The Pre-Primary students celebrated Monsoon Tales with great enthusiasm and excitement. Through engaging stories, fun activities, and expressive actions, the little learners explored the beauty of the monsoon season. They actively participated in various action-based performances, enhancing their understanding of nature, weather, and the joys of the rainy season. The event made learning fun, interactive, and memorable for all.
